

Are you the nurse who wants to optimize the healthcare system in Indonesia?

Are you the **changemaker** we are looking for?

**changemaker**  
/tʃeɪndʒ,meɪkəʳ/ n

Anyone who turns ideas into actions for the benefit of the Indonesian health care system (capacity building)

**Then the Yomema study program is for you!**

You'll graduate after 4 years as a management nurse in the Netherlands

## Future perspective

### Netherlands / Europe

- You can choose to apply at:
  - ✓ A nursing home
  - ✓ The Home care
  - ✓ A hospital
- You can also opt for an advanced study (Msc.) combined with a job.
- Indicative salary 48M. IDR / month

### Indonesia

- Get started in a nursing / elderly home (*possible*) as a shareholder where you can provide a stimulus to the Indonesian healthcare as a management registered nurse.
- Get started as a management nurse within the hospital where you can provide a stimulus to the Indonesian healthcare
